

Free Home Repairs and Modifications

Does your home need repairs or modifications that you can't afford?

Rebuilding Together South Sound may be able to help . . .

Rebuilding Together South Sound is a local non-profit organization that provides free home repairs and modifications to low-income homeowners. With the help of skilled volunteers we have helped hundreds of homeowners stay safe and independent in their homes.

Home Repairs are completed by volunteer teams and are done on or around the last weekend in April. **Home Modifications** are changes that increase the accessibility and ease of use of a home for a person with limited mobility. These projects are completed throughout the year.

To **qualify** for services from Rebuilding Together South Sound, you must:

- Own your home
- Be low-income (contact us for specific requirements)
- Live in Pierce County, Federal Way or Auburn (including incorporated cities)
- Be either elderly, a person with a disability or a family with children
